

INTERNSHIP COMPLETION CERTIFICATE

This is to certify that **Felcia** has successfully completed the internship as a **ReactJS Intern** at **Zenvic Software Solutions Pvt. Ltd.** from **21/07/2025** to **01/08/2025**.

During this period, she exhibited strong proficiency in front-end development using React.js and related technologies. She actively contributed to various development tasks such as component creation, API integration, UI/UX enhancements, and debugging.

She demonstrated a keen interest in learning modern development practices, maintained clean and efficient code, and showed a solid understanding of JavaScript, JSX, and React's component-based architecture.

She worked with technologies such as React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, REST APIs, and version control using Git. She also followed responsive design principles and collaborated using tools like GitHub and Visual Studio Code to ensure code quality and consistency across the application.

We appreciate her dedication, consistency, and collaborative approach during the internship and wish her continued success in all her future endeavors as a React.js developer.
